

Eye-catching beautiful horse. 17.1hh, ISH, 7yo Bay Gelding.

This wonderful horse has been brought on slowly by a young adult and has the ability to be absolute top class in whatever he does. He's a complete gent who excels at everything. Currently doing county Working Hunters. He easily pops over 1.20m fences of ANY type, colour or combination with a safe, sane and bold attitude. He has been hunting a few times with current owner and was very well behaved. He would make a perfect hunter/eventer horse who would not only jump ANYTHING in front of him but would turn heads as well! Brook has a kind, caring nature, handled by children and a gent both on and off the ground as well being good to box/shoe etc. He's a horse not to be missed! Based in East Sussex. Horsemart code **HM026BAA9** Offers in the region of £12495 and open to negotiation. Recently 4th at Hickstead Amateur Working Hunter and 6th Ridden Hunter at Hickstead.
